

Mridul Mishra

Ambedkar Nagar, Uttar Pradesh, India | 7839955401

[Email](#) | [LinkedIn](#) | [Github](#)

Skills: Java (4/5) | Kotlin (3/5) | JavaScript (4/5) | Android Development (4/5) | Backend Development (3/5)

Frameworks: Express (4/5) | Loopback (3/5)

Tools: Android Studio | MS Visual Studio | IntelliJ Idea | Postman | Linux

Databases: MySQL

Experience:

- **SDE - [Valuefy](#)**

May 2022 – Oct 2022: 6 months

- Worked on the backend with JS tech stack. (Tech: Loopback, ES, express, MySQL)
- Build an optimized and automated tool from scratch for the **client-onboarding workflow process**.
- Debugging and existing code optimization.
- **Employee of the month:** November 2021 [🔗](#)

- **SDE Intern – [Valuefy](#)**

June 2021 – May 2022: 1 year

- Worked on the product **Wealthfy-EAM**.
- Coordinated backend deployment using JavaScript frameworks like loopback, express, etc. Optimized the product to improve performance.

Education:

- Bachelor of Technology: Computer Science & Engineering [Aug 2018 – Jun 2022] CGPA: **8.64** / 10
Lovely Professional University, Phagwara, Punjab
- Senior Secondary Education: PCM [2017] **85 %**
St. Peter's School, Uttar Pradesh
- Secondary Education: [2015] **95 %**
St. Peter's School, Uttar Pradesh

Projects:

- **Pedal Plates**
 - This is a food ordering and delivery app with features like
 - to select through multiple restaurant options and order your favorite menus
 - save various restaurant as favorites and views past orders
 - Build using concepts like **Room Persistence Library**
 - Received [Certificate of Excellence](#) for this project from Internshala
 - **Github Link:** <https://github.com/codeMridul/pedal-plates>
- **Book Hub**
 - An android app that fetches book data from internet using **REST APIs** and provides description about the books
 - **Github Link:** https://github.com/codeMridul/Book_Hub

Accomplishment:

- **Certifications**
 - Internshala Android Training. [🔗](#)
 - Geeks For Geeks DSA certified. [🔗](#)
 - Amcat Eligibility Certificate. [🔗](#)
 - Github Arctic Code Vault Contributor
- **Position of Responsibility**
 - Co-Founder and Technical head at I2I (Student Organization in LPU) [Feb 2020 – June 2021]
 - School Head Boy [2016 – 2017]
- **Achievements**
 - Cleared Infyqtq- Infosys certification.
 - Article for GFG: [Working on Git for GUI](#)
